**ORIGINAL SCALE 1:200**

**NOTES**

- Services plotted from information supplied and not located in the field are shown thus (S)
- Contours are at 1.00 m intervals
- Coordinates are based on B.M. 5 at the re-building site E 2 000 000 N 7 000 000
- Bearings are based on True North of B.M. 5
- 1985 - 84 National Mapping Tide Predictions  
 High Tide = 1.05 metres above M.S.L.  
 Low Tide = 0.68 metres below M.S.L.

Reproduction of this Plan in whole or part must include plotted survey data (unlettered) and relevant panel notes together with acknowledgment of the Australian Survey Office - Victoria
