

# Extent of available bathymetric data for the approaches to Casey Station

110°10' E

110°20' E

110°30' E

Horizontal Datum: WGS84  
 Vertical Datum: Lowest Astronomical Tide  
 Projection: UTM, zone 49

The projection preserves shape with minimal distortion. However, true direction is not maintained and the map should not be used for navigation.
