- ▭ Station Limits
- Travel outside station limits requires Station Leader approval.
- ▭ Extended Station Limits
- A radio must be carried and the intentions board filled in when travelling to this area.
- ▭ Recreation Limits
- Travel permitted as per the AAD Operations Manual.
- Recreation Limits includes the following corridors:
  - 1 The coastal track extending 20 metres inland from the station to Law Cairn;
  - 2 'Dingle Road' and the road linking it to the coastal track;
  - 3 The coastal track to the south of the station around Heidemann Bay and the corridors to Old Wallow and The Lookout.

**CAUTION:** Absence of the depiction of hazards, including crevasses, does not necessarily indicate a hazard-free area.

For more detail see Davis Station Limits, Map No. 15274
