Entry is prohibited without a permit. All activities must be in accordance with the management plan.

The Station Leader may grant permission for travel within this boundary. Operations outside this boundary require Head Office approval.

The Adélie penguin colonies shown on Holl Island and Peterson Island were mapped from 1990 aerial photography. Their populations have since expanded.

The Station Leader may grant permission for travel on sea ice up to this boundary. Sea ice travel outside this boundary requires Head Office approval.

Cliffs, crevasses, ice-free areas, lakes and moraines mapped from aerial photography, January 1994.

CAUTION: Absence of the depiction of hazards, including crevasses, does not necessarily indicate a hazard free area.
